General Job Duties and Responsibilities

- The Route Driver position is a combination of driving and making deliveries of milk and dairy products to customers.
- Drives climate controlled vehicles, as follows:
 - 28 foot and 48 foot trailers with single or tandem axle tractors
 - Straight truck
 - Manual or automatic transmission
 - Air ride seats
- Drives 80% of the work week, unloading and delivering dairy products to hospitals, schools, stores, and other customers.
- Must complete pre- and post-trip inspections, mileage sheets, driver's daily log, and route tracking forms on a daily basis.
- May make deliveries to approximately 10-25 customers per day.
- May deliver 1-175 cases per customer, weighing approximately 25-50 pounds each case.
- May drive up to approximately 500 miles per day, round trip, to destinations in Pennsylvania, Maryland, New Jersey, New York, Connecticut, Delaware, District of Columbia, Virginia, West Virginia, or North Carolina.
- Must maintain clean driving record
- Follow all traffic laws; drive safely and responsibly
- Follow safety rules and regulations
- Read load sheets and customer orders accurately
- Organize the load efficiently

Pre-Employment Background check and Pre-Employment Drug Screen will be performed for qualified applicants.

This is not intended to be an all-inclusive list of job responsibilities. Harrisburg Dairies, Inc. reserves the right to modify job responsibilities and required skills based upon company needs. Employees may be required to perform functions beyond those mentioned.
